

@ Ready to Go?

Each STEM Share team serves among an unreached people group in a restricted access nation. This opens up exciting possibilities of how God can use you and your team to advance His Kingdom. Your Team will bring the light of the gospel to some dark and hard places. To the extent that you let Him, God will also move in your heart so that you may hear and see more clearly His heart for the nations.

Demonstrating Christ may look different than you expect! Depending on the needs of our host, you can expect a unique mix of the following:

- **Prayerwalk** in places where the name of Jesus is unknown
- **Practical Service** Use your practical skills to serve lost and needy people, creating a welcome in their hearts for Jesus:
 - ▶ Teach English, computer, health, agriculture, sewing, or other skills
 - ▶ Visit orphans
 - ▶ Distribute food and clothing
 - ▶ Community development
- **Creatively Share** Your Faith
- **Serve** Long-Term Church Planters

STEM SHARE is a division of STEM Int'l.

What We Believe.

STEM Int'l is an evangelical 501(c) 3 non-profit Christian mission organization. Our solid doctrinal statement readily allows us to work with Christians of any evangelical, non-denominational or denominational church.

We believe in

1. The divine inspiration and consequent authority of the whole canonical Scriptures as inerrant and the only Word of God
2. The doctrine of the Trinity: God the Father, Jesus Christ the Son, and the Holy Spirit
3. The fall of man and his consequent moral depravity and need for regeneration
4. The human sexual experience rightly expressed through commitment in marriage between one man and one woman
5. The atonement for sin through the substitutionary death of Jesus Christ
6. The doctrine of justification by faith
7. The regeneration and renewal of man through the work and presence of the Holy Spirit in his life
8. The resurrection of the body both in the case of the just and the unjust
9. The eternal life of the saved and the eternal punishment of the lost, as described in Scripture

SHARE is Sharing Humanitarian Assistance and Relief Efforts.

STEM SHARE.ORG

Interested in sending your Group to

We can customize a short term mission for your group!

What is STEM SHARE?

STEM SHARE is a short-term mission organization that exists to bring ever-increasing glory to God. Our purpose is to impact unreached people groups for Christ by sending short-term teams to serve with long-term Christian workers in restricted-access nations.

Our passion is to mobilize Christians to reach people still hidden from the gospel of Christ. We do this by providing North American Christians a strategic short-term mission opportunity (two to three weeks) to certain restricted-access nations in Central Asia and the 10/40 Window.

The 10/40 Window, an area between the 10th and 40th latitudes north and going from North Africa to East Asia, is where most of the world's unreached people groups live.

Our teams always serve at the invitation of long-term Christian workers within these nations.

Bottom Line: We aim to serve long-term Christian workers, engage unreached people-groups, and mobilize you to deeper involvement.

What We Provide.

Pre-field

Travel arrangements, cross-cultural training, spiritual preparation, education about people groups and religions, help with raising support, 100 percent tax deductibility for your supporters

On-field

Transportation, team leaders 24/7, dedicated field partners, additional training, ministry opportunities, emergency travel insurance

Post-field

Follow-up, information on adopting a people group, a challenge to continue serving in missions, subscriptions to *Commissioned* magazine and *Mission Maker Magazine*

Where Can You Serve?

We have opportunities for you to serve in Central Asia, Turkey, North Africa, or Southeast Asia. You will work with long-term workers striving to build the church among unreached people groups. What is an unreached people group? It is simply a group of people that has no church in their culture that is able to reach their own people. Currently, only one-third of one percent of all Christian workers work among unreached people groups! Unreached people groups need you.

What Will You Be Doing?

- **Prayerwalk** in places where the name of Jesus is unknown
- **Practical Service** Use your practical skills to serve lost and needy people, creating a welcome in their hearts for Jesus:
 - ▶ Teach English, computer, health, agriculture, sewing, or other skills
 - ▶ Visit orphans
 - ▶ Distribute food and clothing
 - ▶ Community development
- **Creatively Share** Your Faith
- **Serve** Long-Term Church Planters

STEM SHARE.ORG

How to Get Started

We customize short-term mission trips! A group of at least six can choose dates and destinations.

We help recruit and organize your team, provide training and leadership for the team, working with existing leadership already present in your group.

A Sending Partner is any group or organization (church, college, etc), that partners with STEM Share to send a team to an unreached people group.

You can be a **Sending Partner** if:

- ▶ You recruit a minimum of 6 people/ max of 10-15 (varies by destination) If less than 6, your group could join an existing open team.
- ▶ You are interested in going to one of the locations where STEM Share works.
- ▶ Your church or organization can abide by STEM's Doctrinal Statement of Faith.

Overview of Process

1. Identify destination(s) of interest & contact us for more information about those fields.
2. Complete & send your Starting Point interview.
3. Discuss details (location, dates, etc) with us.
4. Complete & send applications & \$20 fee.
5. We send you the Sending Partner Packet of details, checklists to help prepare the team.
6. Send Team Deposit of \$500 to us.
7. Send Team Member's applications along with \$20 fee.
8. We send you Team Member Manuals and other training materials.
9. Send funds for team's airfare and team fee
10. Discuss options & travel arrangements for your Team Training Meeting.
11. Meet team and team leader at Team Training Meeting.
